Items to be juried – please describe the process

Retail Price

Website _____ Please include photos if available.

Residents of New Hampshire, Vermont, Maine, and Massachusetts are eligible. The jury would like to see representative examples of your current work and those items you would like to consign to the shop. The jury looks for work which meets the highest standards of workmanship, creativity, innovation, design, functionality, choice of materials, originality, and marketability.

The jury meets in February, May, and September.

This completed application and jury fee must be received by the first day of the jury month. If selected to be juried, you will be notified of the drop off and pick up dates for your work. The \$35 non-refundable fee includes one re-jurying, if necessary, and will not be deposited until the day of the jury. You will be notified by mail the week following the jury's decision. If accepted, an appointment needs to be made with the manager to sign the consignment contract, fill out forms, and ticket your items. Thank you for your interest.
